

## INTERNSHIP OFFER LETTER

**Internship Start Date:** 08-11-2025

**Internship End Date:** 08-02-2026

Dear Anupam Das,

We are pleased to extend to you this offer for the position of **Data Science & Analytics Intern** at **Amdox Technologies**, a forward-looking product-based software company committed to driving innovation through advanced technologies and practical learning. This internship is designed to equip you with real-world exposure to data-driven projects, structured mentorship, and technical skill-building aligned with your academic and career goals.

Your selection is a testament to your demonstrated potential, technical aptitude, and enthusiasm for learning. At Amdox Technologies, we foster a culture centered on collaboration, continuous improvement, and future-focused problem solving, where interns actively contribute to meaningful data initiatives from day one.

As a member of our Data Science & Analytics team, you will work on real-time projects involving data collection, analysis, and modeling to generate insights that support business decisions. You will apply machine learning, data visualization, and statistical tools to improve our products and strategies. We are confident this opportunity will be key in shaping your analytical and professional journey, and we look forward to your curiosity, precision, and dedication to data-driven solutions.

### Internship Details:

- Position:** Data Science & Analytics Intern
- Working Hours:** Flexible / As per company policy
- Duration:** 3 Months
- Supervisor:** Mr. Sunil Kumar
- Working Days:** Monday to Friday
- Time of training:** Evening
- Project Timing:** Flexible
- Stipend:** Your stipend will be up to INR 10000/Month for the internship period.

## Key Responsibilities:

As a Data Science & Analytics Intern at Amdox Technologies, you will play an essential role in supporting our data team to deliver data-driven insights and solutions that impact business decisions. Your responsibilities will include:

- Assisting in the collection, cleaning, and preprocessing of large datasets to ensure data quality and reliability.
- Collaborating with product and engineering teams to understand data requirements and translate them into actionable analysis and models.
- Developing and implementing machine learning models and statistical algorithms to solve real-world business problems.
- Integrating and automating data pipelines and analytical tools to enhance reporting and decision-making processes.
- Participating in data validation, debugging, and optimization to improve model accuracy and system performance.
- Supporting the team by maintaining documentation, tracking project milestones, and following agile development practices such as sprint planning and daily stand-ups.
- Engaging in hands-on learning through mentorship and contributing to real client or internal analytics projects.

## Training & Evaluation:

- Your internship experience will be structured around:
- Weekly data tasks (Data Cleaning > Exploratory Analysis > Modeling > Machine Learning > Visualization)
- Assignment to a real-time project based on your skill level and area of expertise
- Mentorship from senior data scientists and analysts
- Performance reviews at mid-point and conclusion
- Feedback sessions with your assigned mentor

## Expected Outcomes - Data Science & Analytics:

By the end of the internship, you will:

- Develop data models and generate actionable insights
- Gain hands-on experience with data analysis and machine learning tools
- Understand key concepts in data preprocessing, modeling, and visualization
- Receive a certificate and project-based recommendation

## Confidentiality and Code of Conduct:

1. You will be assigned a Project Mentor at Amdox Technologies, under whose supervision you will carry out your assigned tasks and responsibilities throughout the internship.
2. You are expected to complete all assigned work in a timely and professional manner, maintaining the quality standards, discipline, and ethical conduct in line with the values and expectations of Amdox Technologies.

3. Please note that this internship engagement does not constitute an employer-employee relationship. Accordingly, you will not be entitled to any monetary allowances, employee benefits, or permanent employment guarantees, unless explicitly stated or offered post-internship based on performance.
4. During your internship, you are required to adhere strictly to all internal policies, guidelines, and regulations of Amdox Technologies. You must also ensure the confidentiality, integrity, and security of any proprietary information, project data, source code, intellectual property, or documentation shared with you in the course of your work.
5. A detailed overview of your obligations related to Confidentiality, Data Security, and Intellectual Property Rights is provided in Annexure A. You are expected to read and acknowledge this document prior to the commencement of your internship.
6. If you are currently enrolled in an academic program, you may attend college/university sessions during the internship period only with the prior consent of your Project Mentor, ensuring it does not interfere with your internship deliverables or commitments.

### Acceptance and Onboarding:

Please confirm your acceptance of this internship offer using the Offer Acceptance Link provided in your email, within the specified deadline. Failure to respond within the stipulated timeframe will result in the automatic revocation of this offer.

We are excited to welcome you to the Amdox Technologies team and look forward to a mutually enriching and productive internship experience.

  
Mr. Ranjan Kumar  
**Executive Director**

  
Nishika Verma

## INTERNSHIP OFFER LETTER

Date: **05/10/2025**

CIN:  **FIT/OCT25/UX445**

Dear **NIJAL SHAH**

We are delighted to welcome you to the **UI/UX Design Internship** under our Fellowship Program at Future Interns. This internship is scheduled to run from **05/10/2025** to **05/11/2025** and is designed to be a valuable learning experience that includes orientation, skill development, and the practical application of concepts in a real-world environment.

By accepting this offer, you acknowledge and understand that participation in this program is not an offer of employment. Furthermore, successful completion of the program does not entitle you to an employment offer from Future Interns.

You agree to adhere to all company policies applicable to non-employee interns. This letter constitutes the complete understanding between you and the company regarding your internship, superseding all prior discussions or agreements.

Upon successful completion of the internship, we will provide you with a **Completion Certificate** and a **Letter of Recommendation (LoR)** to recognize your achievements and contributions.

We eagerly anticipate your commencement of the internship program at Future Interns and extend our best wishes for a meaningful and prosperous experience.

Sincerely,

**Future Interns**

**Subject - Traineeship**

Dear Sivakumar D

With reference to your application, we would like to congratulate you for being selected as a Data Analytics Trainee for the Traineeship Program with MedTourEasy. Your training is scheduled to start from 01st August 2025 effective for a period of 4 weeks. All of us at MedTourEasy are excited that you will be joining our team!

As such your traineeship will include training/orientation and will be focused primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application off the knowledge you attain in class.

Upon completion of the program, you will be receiving a Certificate of Completion, Letter of Recommendation and an appreciation letter from the company. The best performers will also be offered a PPO by the company depending upon vacancies available. The project detail will be shared with you on or before commencement of training. Your appointment will be governed by the terms and conditions presented in the **Annexure A**.

You would be reporting online.

**Congratulations** again and we look forward to work with you.

Yours Sincerely  
Human Resources Team

### Annexure A

You shall be governed by the following terms and condition of service during your traineeship with MedTourEasy, and those may be amended from time to time.

1. You are being selected as a **Data Analytics Trainee**. As a Data Analytics Trainee you would be responsible for completing the training modules on our partner platform and complete the live project thereafter as per the project requirement specified in the project proposal.
2. Your date of joining is 01st August 2025 and the duration of the traineeship would be 4 Weeks.
3. All the work that you will produce at or in relation to MedTourEasy will be the intellectual property of MedTourEasy. You are not allowed to store, copy, sell, share, and distribute it to a third party under any circumstances. Similarly you are expected to refrain from talking about your work in public domains (both online such as blogging, social networking site and offline among your friends, college etc.)
4. You will be using your own computer throughout the program.
5. You will be working remotely for the duration of the traineeship and submit the same on our Learning Management System.
6. You are expected to conduct yourself with utmost professionalism in dealing with your mentor, team members, colleagues, clients and customers and treat everyone with due respect. In case of misbehavior, the company reserves the right to terminate your training on disciplinary grounds.
7. We take data privacy and security very seriously and to maintain confidentiality of any students, customers, clients, and companies' data and contact details that you may get access to during your traineeship will be your responsibility. MedTourEasy operates on **zero tolerance** principle with regard to any breach of data security guidelines. At the completion of the traineeship you are expected to hand over all MedTourEasy work/data stored on your Personal Computer to the LMS and delete the same from your machine.

## Letter of Recommendation

CIN: PIT/JUL25/06264

Date: 01/08/2025

To Whom It May Concern,

I am writing this letter to highly recommend Ramanee S Joshi from M.L.Dahanukar College Of Commerce for her exceptional performance and dedication during her tenure as a Web Development intern at Prodigy InfoTech. She has truly impressed me with her strong work ethic, passion, and ability to excel in her assigned tasks.

Throughout her internship, she consistently demonstrated a high level of professionalism, taking initiative, and exceeding expectations. She exhibited remarkable technical skills and a strong understanding of the industry. She tackled complex projects with enthusiasm, displaying great problem-solving abilities and an aptitude for learning.

Her attention to detail, creativity, and willingness to go the extra mile set her apart from her peers. Based on her outstanding performance and potential, I have no doubt that she will continue to thrive and make significant contributions in her future endeavours. It is with great pleasure that I recommend her for any future opportunities or positions she may seek.

Best regards,

Deven Chopra  
Software Engineering Manager

## INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **Sivakumar D, Intern ID: SKS/A2/C33401**, currently pursuing a B.E from PGP College of Engineering and Technology, was working as a **Business Analysis Intern** with Saiket Systems from July 2025 to August 2025.

During this period, he served as a Business Analysis Intern and displayed remarkable dedication, sincerity, and a strong desire to learn. He exhibited exceptional analytical thinking, requirement analysis skills, and effective communication abilities. Moreover, his attention to detail has been truly impressive.

He consistently approached new assignments and challenges with enthusiasm, showcasing his passion for Business Analysis. His commitment and willingness to acquire new knowledge and skills were evident throughout his internship.

We extend our best wishes to Sivakumar D for a successful future, and we have no doubt that he will continue to excel in the field of Business Analysis.

  
**Sivakumar D**  
**Saiket Systems**

---

31 July, 2025

### Program Format & Requirements

- If you're enrolled in the 1-month internship, you must complete a minimum of 4 full projects from your assigned track (e.g., Machine Learning, Data Analytics, NLP, etc.).
- If you're enrolled in the 2-week internship, you must complete at least 2 projects.
- You are free to choose any of the assigned projects from your track. These tasks reflect real-world scenarios and are designed to develop practical, job-ready skills.
- Completing extra projects beyond the minimum requirement will increase your chances of being selected for the "Outstanding Intern" recognition badge, awarded by MKA AI to top performers.

### Tools & Resources

- The project instructions, datasets, and guidance are provided directly in your internship task document.
- For tracks like Machine Learning, Data Analytics, Data Science, or NLP, you must use the datasets specified for each task or find publicly available alternatives if needed.
- You are allowed to explore additional libraries and tools as long as you meet the core objectives of the assigned task.

### Submission & Deadline

- All tasks must be completed and submitted no later than August 31, 2025, at 11:59 PM (Cairo Time).
- Once you've completed your required number of tasks:
  - a. Publish your work publicly by posting on LinkedIn.
  - b. Tag the official MKA AI LinkedIn page (tag will be shared with you).
  - c. Submit the post link and project files using the official submission form (to be provided via email or Google Form).

### LinkedIn Post Requirements

After you complete your tasks:

- Post your project work on LinkedIn to showcase your skills.
  - You may create individual posts for each task, or compile them into a single summary post at the end.
- In your post, include:
  - A GitHub link or Google Drive folder with your project files
  - A short description or video demo of your work
  - Tag the MKA AI page to help your work reach our community
- Make sure your Drive folder (if used) is set to:
  - "Anyone with the link can view"

### Certification

After submitting your required tasks and publishing your work on LinkedIn, you'll receive an official Certificate of Completion from MKA AI.

Top contributors may also receive:

- An Outstanding Intern Badge
- Potential internship extension or referral
- Spotlight post on MKA AI's LinkedIn

### Regards,

*Mahmoud Al Masidi*

Founder & CEO

## Welcome Letter

Batch code: WM-94070-09

Dear Candidate,

**Sub: Letter of Welcome for Internship of one month.**

We are pleased to offer you an appointment in our organization as Upcoming Trainee Program with effect Starting from Cohort date **10-August-2025 / 20-August-2025**. You can choose any one date to start your internship. Your application and skills have demonstrated your potential and enthusiasm for this role, and we are eager to welcome you to our team. Throughout the training, you will be have the opportunity to gain invaluable hands-on experience in various facets.

**Upon successful completion of the internship, you will receive:**

1. Internship Completion Certificate recognizing your contribution and the skills acquired.

2. Letter of Recommendation (LOR) highlighting your performance, dedication, and skill set, which will be valuable for your future career opportunities.

With reference to your application, we would like to congratulate you for being selected for the Traineeship Program with InnovativeArc Solutions. Your training is scheduled to start from the date of 10-August-2025 / 20-August-2025 effective for a period of 4 weeks. All of us at WireMetrics Solutions are excited that you will be joining our team.

As such your traineeship will include training/orientation and will be focused primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application off the knowledge you attain in class.

**Upon completion of the program,**

You will be receiving a Certificate of Completion, Letter of Recommendation and an appreciation letter from the company. The project detail will be shared with you on or before commencement of training. Your appointment will be governed by the terms and conditions presented in Annexure-B

We congratulate you on your appointment and wish you a long and successful career with us. We are confident that your contribution will take us further in our journey towards becoming world leaders. We assure you of our support for your professional development and growth.

**Note: Internship Duration will be one month. After completion of your trainee you may have the opportunity to join the internal team as well as we have more than 100s start-up and Mnc companies clients. For join a full time opportunity you have to clear interview. We will offer upto 5Lpa salary after successfully completing your trainee program.**
